INSTITUTIONAL DISTINCTIVENESS

The vision of the institute is “*Nothing can be Sacred as Knowledge is.*” The management of the college adhere to the motto. Most of the intake of the college is the children of peasants and lower class people. Bearing this in mind our college, like many other colleges offers help to needy students. Built upon a liberal perspective, Integral Formation involves four aspects: (1) Academic Excellence (2) Integrated Growth (3) Social Commitment (4) Value-based Leadership. In order to live up to its living up to its vision, the institute has built a Multiple Conducive Learning and Developmental Environments for facilitating the Integral formation of the student in consonance with the priorities and thrust areas of the institution. The Distinctiveness of the college: By a conducive learning & developmental environment, we mean an educational approach, cultural context, student activity-centre with a room to accommodate failures.

It is committed to excellence in the formation of men and women for others who transform the world. Formation and Excellence in Academics begins at the classroom-level. Courses and curricula are designed to be more job-oriented and are once in a three years revised, so as to increase the chances of employment and infuse in students, a zeal for entrepreneurship. Teaching pedagogies are student-centric. Interactions with industry experts are often facilitated with intent to keep the students informed and updated. Additionally, industrial visits and educational tours are conducted by all departments in order to sensitize students about the practical challenges that business organizations face on an operational basis. All departments conduct seminars, conferences, workshops, guest lectures and fests for the benefit of the students. The Science Departments in the college conduct Knowledge Enhancement and Exchange Programmes by educating students, farmers and laymen. For Skill Enhancement, the college has introduced Certificate Courses available for the benefit of the students. Students can select from offered courses and there are more than 05 courses that are currently active. The Placement Cell of the college has a track record of placing students.
