The Academic Calendar Committee keeping in mind academic objectives prepared an Academic Calendar for the academic year of 2026-2027. It serves as a structural framework and executive overview used by educational institutions to outline, manage, and evaluate the operational timeline of an academic year. It functions as a strategic document for administrators, faculty, and students to align curricular, co-curricular, and assessment objectives. During the process of preparation all the faculty of the institution cooperated. It is an outcome of the valuable guidance of the Principal Dr. Mohite U. K., IQAC Coordinator Dr. Nisargandh V. S. and Chairman of the Committee Prof. (Dr.) Dhanwade S. N. and faculty members of the institution.

Note: The calendar is tentative. The college reserves the right to change the schedule without any prior notice. Exams may get postponed due to unexpected calamities, public protests, strikes, etc., The college does not take any responsibility for such delays/postponements.
